## Invitation to the “Go Dream Silkeborg Nordic Balloon Cup 2014”

All Nordic hot air balloon pilots are hereby invited to participate in the “Go Dream Silkeborg Nordic Balloon Cup 2014”, which will be held in Silkeborg, Denmark, 19th-24th August 2014. The Cup is also open for “Fiesta” pilots.

During the Cup, contestants will compete for both Nordic and national medals as the Danish, Finnish and Swedish championship will also be held during the Nordic Cup. We are expecting over 40 participating hot air balloons joining the event. This Nordic Cup 2014 will be the largest hot air balloon championship in the Nordic Region since the millennium and the largest ever to be held in Denmark.

### Competition area

The event will be held close to the town of Silkeborg, Jutland. Well known for its picturesque countryside – a fantastic mix of open fields, forests, lakes and where you will find Denmark’s highest “mountains”!

Silkeborg is a beautiful, dynamic and interesting town, famous for its market and its suburban scenery, great shopping, cafés, restaurants, art, culture and lots of adventures. All this will most certainly result in exiting flights over the countryside as well as the town.

You can find more information by visiting Silkeborg’s website: <http://www.silkeborg.com>

## **Accommodation**

We have negotiated reduced rates for all participants at the DAYZ Resort and we hope that most teams will take up the offer to stay here during the Nordic Cup.
